

# St Thomas Comets- *Meet our Inspiring Leaders*

## Technology Teacher- Mrs. Jennifer Longanbach

**Educational Background:** I received my education degree from West Virginia University (my hometown!)

**Why I teach in a Catholic School:** I didn't start teaching until after my girls were students at St. Thomas. I loved the school spirit and family atmosphere it provided, so I ended my 20 year career with Barnes & Noble to join the STS staff.

**Who inspires you:** I am inspired daily by the amazing people I work with. The staff at STS is truly amazing!

**My favorite teacher was:** Miss Guido in 3rd grade! I had a lot of changes in my life that year and she was aMaZiNgLy supportive.

**Hobbies/Interests:** My hobbies have changed throughout the years. I've dabbled in different crafts and occasionally play golf. I really love a good puzzle or board game!

**Dream meal:** I love to dine al fresco with a nice glass of wine...

**Outside of school:** I love to spend time relaxing with my family and friends. We visit Lindsey at Iowa State whenever we have the chance. Leslie will be starting her senior year of high school. We watch her play a lot of volleyball games! I'm looking forward to the time my husband, David, and I can spend together when both girls are out of the house. See some new sights and try some new things!
