

Comet Alumni Spotlight

Jimmy Scherer Class of 1986

Educational Background: Spalding then PND. Graduated from Loras College in Dubuque, IA in 1994.

Recent Achievements: Chairman for National Dealer Council for Mazda North America. Shot my best golf round in June.

Family: My beautiful wife, Eryn. Our three children, Evan (16 @ Dunlap HS), and Imogen(10) and Francine (9) both at St Thomas!

Favorite experience as a St. Thomas Comet: St Thomas Skits! Tom Melton, JJ Mathers and myself dressed up as three older women performing Wendy's "Where's the Beef!?" at Bergan's theater.

St. Thomas teacher who made an impact on you: Mrs Ludolph. She was pretty intimidating but she reminded me of one of my favorite aunts (Aunt Doris). Mrs Ludolph and I were two peas in a pod. She taught me how to tie shoe laces so they wouldn't come undone but not double knotted. I still tie them the same way and now so do my children.

Piece of advice for current Comets: It's a very small world. Don't burn any bridges because you'll reconnect with many throughout your life. Even when you're 50!
