Outdoor Recess:

Students should be encouraged to engage in physical activity during recess year round...including winter--- unless temperatures are dangerously cold or when it is raining. Every child, unless excused by reason of ill health, is expected to comply to the outdoor guidelines set at St. Thomas. Please keep in mind that winter air does NOT cause or worsen minor symptoms as long as children are dressed appropriately. Extended indoor recess requests require a doctor's note.

Guidelines

Students will be outside at all recesses when the temperature (including wind chill) is 15 degrees or above and it is dry. Temperature is checked throughout the day during cold weather.

Students need to dress adequately for cold weather by wearing coats that close, hats or ear bands, pants or tights/ leggings, and mittens or gloves. Students will also be required to stay within the designated areas to avoid unnecessary wetness. Students may bring boots to wear for warmth, however, *playing IN the snow during recess is not allowed.*
