

Comet Alumni Spotlight

Jennah LaHood Siwak Class of 2003

Educational Background:

I attended St. Thomas from kindergarten through eighth grade and then went on to high school at Peoria Notre Dame. I graduated from the University of Illinois Urbana-Champaign with a degree in Molecular and Cellular Biology and then went on to medical school at the University of Illinois College of Medicine in Rockford, Illinois. After completing Family Medicine residency at Northwestern, I moved back to the Peoria area to practice.

Recent Achievements: Since starting my family medicine practice in Metamora, I've also completed a second board certification in Obesity Medicine.

Family: I live in Peoria with my husband and our four children -Noelle, Frankie, Lovelyn and Teddy. Noelle and Frankie are both in St Thomas preschool and love it!

Favorite experience as a St. Thomas Comet: the gingerbread man hunt In kindergarten.

St. Thomas teacher who made an impact on you: Mrs Pfeiffer's fourth grade. I'm still looking for Jesus' face in holy communion every Mass because of her testimony.

Piece of advice for current Comets: Just be kind. "I've learned that people will forget what you said, people will forget what you did, but people will never forget how you made them feel."
