

Comet Alumni Spotlight

Haley Mueller Cheetam Class of 1999

Educational Background: St. Thomas Comet (K - 8), Peoria Notre Dame (class of 2003), Purdue University (class of 2007).

Recent Achievements: In February, I was featured with my daughters, sister Andie and brother-in-law Chris on Peoria's "You Gotta Eat" segment at Agatucci's. Don't worry, I haven't let my recent fame go to my head.

Family: The eldest (and coolest) of the Mueller Comet Alumni, I'm now a mom of five. We live in Ann Arbor, Michigan.

Favorite experience as a St. Thomas Comet: Winning the diocesan championship in 8th grade girls basketball! An overall favorite STS memory: roller skating weeks in PE every year.

St. Thomas teacher who made an impact on you: Mrs. Hayes was my 6th grade teacher, and she had a huge impact on my love writing. She encouraged me in so many ways despite my being a bit of a socializer...all day long. Mrs. Crawmer was also one of my absolute favorites. Shout outs to Mr. Ulrich, bus 5 driver, and STS custodians Gary and Ted: they took care of all of us.

Piece of advice for current Comets: Be the kid who's kind to everyone.
