The Kellock Family- Classes 2011, 2012, 2014, & 2017

Jimmy, Jake, Mary Kate, and Elizabeth Kellock
St. Thomas Classes of 2011, 2012, 2014, and
2017

Educational Background: After St. Thomas, all the Kellock siblings attended PND. Jimmy then went to Northwestern University, Jake attended Indiana University, Mary Kate followed Jake to IU, and Elizabeth decided to stir the pot by attending Purdue University where she will graduate in May.

Recent Achievements: After college, Jimmy moved to Chicago and began working in consulting within the PwC network. Jake began working for the Church with FOCUS and is now employed by the Newman Center at Bradley University. During his time in FOCUS, he married Mary (also a PND grad), and they have two daughters, two years old and one month old! After graduating from IU, Mary Kate again decided to follow a brother, Jimmy this time. She works in Chicago and recently started a new job with Constellation Brands. Elizabeth will graduate nursing school at Purdue this spring.

Family: Three of us have beloved nieces named Felicity and Regina while Jake and his wife of 3 years, Mary, get to call them their daughters!

Favorite experience as a St. Thomas Comet: All of us participated in the school plays, but the only one in which all of us shared the stage together was Seussical in 2011. Elizabeth made an appearance as the baby elephant bird when she was in 2nd grade!

St. Thomas teacher who made an impact on you: Because all of us were in the school plays, we got to spend a lot of time with Miss Pantages. We enjoyed both the intracurricular and extracurricular activities she led as our teacher and director of the musicals.

Piece of advice for current Comets: We know it doesn't feel like it while you're in school, but education is a gift so take advantage of it while you're in the part of your life that is dedicated to it!
