Complete Safe Environment Training for **Volunteers**—not employees

Create ONLY ONE user account. If you have forgotten your log in – email safeenvironment@cdop.org

If you have already completed the online training, it will show as complete when you log in.

If you have expired, you must take the RENEWAL Training – complete the background check and CANTS at the same time. These are uploaded – do not print and send to the office. Follow the prompts to submit.

We appreciate your support by completing these mandatory steps for volunteers. If you have any questions, please feel free to call.

Childcare Note: Please do not bring toys from home to childcare. We have plenty of toys and activities for students.
